## Stevenson Beats Sen. Kefauver In Oregon Primary

Ike Draws Big Vote; Nixon Receives Good Number Of Write-Ins

PORTLAND, Ore. (AP)—Democrats gave Adlai Stevenson a boost toward the presidential nomination and Republicans put up a lusty cheer for the Eisenhower-Nixon ticket in returns today from Oregon's primary election.

Stevenson, pointing toward big game in Florida and California stayed a consistent pace in front of Sen. Estes Kefauver in their write-in contest for 16 Democratic delegates in Friday's balloting. More than half of the party's voters peacocked in their presidential choice.

But Oregon Democrats appeared lazy compared with Republicans who showered unopposed President Eisenhower with a high popularity vote.

### Nixon Receives Backing

What's more, with only a minimum of pre-election prodding, nearly 20 per cent of the Republicans took the extra trouble to write in Vice President Nixon for re-nomination.

Former Secretary of the Interior Douglas McKay, undefeated in eight Oregon elections, led Phil Hitchcock in a hard-fought race for the Republican senatorial nomination. The winner will face Democratic Sen. Wayne Morse, in the fall.

The primary turned up what could be only construed as a protest vote against Morse, former Republican. While Morse had no trouble winning the Democratic nomination, one out of five Democrats supported a Hood River service station operator, Woody Smith. No Cross-Voting Allowed

No cross-voting by Republicans and Democrats was allowed. Entering the state too late, Stevenson and Kefauver did not appear on the ballot, and the response to their write-in appeals was considered surprisingly good.

The write-in by Democrats for president and Republicans for vice president is binding on the state's delegations to the respective party conventions. Democrats, busy enough marking as many as five separate ballots, didn't indicate anyone for the running mate spot.

Stevenson's managers risked a possible setback in the first western primary against the help they figured a victory would give him in his approaching primary battles for Florida's 28 delegates May

## 'Chicken' Badges Are Put On Sale

The United Commercial Travelers, sponsors of the Brothers of the Brush, announced today that Chicken Badges will go on sale today for those men who insist on shaving during Salem's Sesqui-centennial Celebration.

The "Chickens" will be able to purchase their badges at the same places where Brothers of the Brush badges were sold. These include Heddleston's and Lease's Drug Stores, Fishers New Agency, Corso's Wine Shop, Fernengel's, Superior Market and Jennings Grocery. Price of the Chicken Badges will be \$3.

Beginning May 25, and continuing through Sesqui week, all men will be required to display either a "Chicken Badge" or the medal of the "Brothers of the Brush" on their clothing.

Since men can still join the Brothers of the Brush for only \$1, it is expected that the thrifty men will grow a little facial foliage and save \$2.

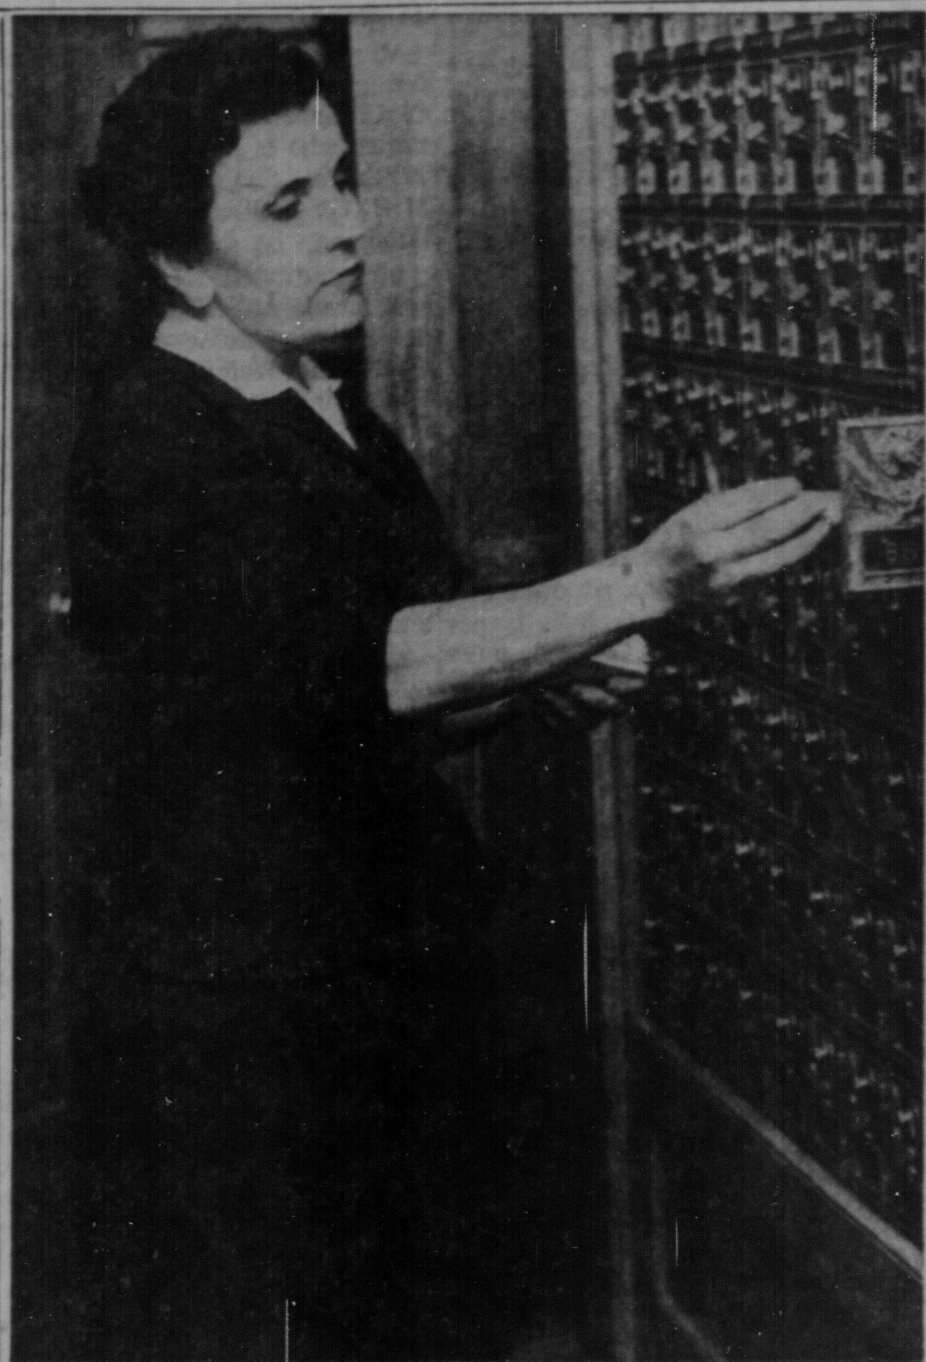

Robert Kaminsky, chairman of the "Brothers," announced that his organization now totals 1,738 members. This total should grow considerably by May 25.

## Lopez Blasts Indian Fans For Booring As Al Rosen Is Injured

CLEVELAND (AP)—The manager of the Cleveland Indians said today the fans in Cleveland are "bush" and "don't deserve a ball club in this town."

Manager Al Lopez leveled the criticism after some of the fans cheered an injury of the Indian third baseman, Al Rosen.

Pete Rannels of the Washington Senators crashed into Rosen at third base in the ninth inning Friday night and Rosen fell to the ground, writhing in pain. Some of the fans cheered.

Rosen will be out of the lineup indefinitely with a wrenched knee and a bruised ankle.

"The fans here are bush," an angered Lopez said. "They don't deserve a ball club in this town. I never heard anything so sickening in my life. It was the nastiest, most bush thing I've ever encountered."

"Bush" is a derogatory baseball adjective meaning minor and small.

"Here's a guy blocking third base, trying to stop the tying run and to win us a ball game," Lopez continued. "It took guts to do it. The runner crashed hard into him and he's hurt badly. And the miserable fans cheer. I'm surprised they didn't wait outside our dressing room afterward to boo Rosen when he left on crutches."

A noisy portion of 7,747 fans had been rough on Rosen all night. Each time he came to bat there were men on base. He left nine stranded. But few Indians did any better as the Tribe lost 5-4 in 11 innings. They booed each time Rosen batted.

"If I were Rosen I'd spit in their faces," Lopez added.

# Senate Okays Farm Bill; Approval By Ike Seen

## Russians Press U.S., Britain To Cut Armies

Move Draws Mixed Reactions; Danger Seen Still Not Over

LONDON (AP)—Soviet pressure on Britain and the United States to match the cuts Russia says she is making in her armed forces drew mixed reaction today in London and Washington.

Fifty five opposition Labor members of Parliament hailed the Soviet announcement and called for an early end to Britain's draft, sharp cuts in defense spending and swift action to secure a world disarmament pact.

The Laborites signed a declaration saying the Soviet announcement makes it "clear that the challenge of communism is economic, social and political, not military, and that the Soviet Union wants peace as much as any country in the world."

Prime Minister Eden himself has welcomed Russia's announced arms cuts, but he has emphasized the Soviets merely are copying the Western allies who were the first to reduce their armies after World War II. The Eden government also has made clear presently there is no justification for major reduction in the over-all defense program because the dangers of war have not yet vanished.

In Washington, Defense Secretary Wilson said the United States expects to maintain armed forces of their present size for years to come. Moreover, he added, these forces would be given new weapons and equipment "which will make the maximum use of firepower."

"There is no clear indication," Wilson said in an Armed Forces Day speech, "that the world situation has improved to the point where we can importantly modify our policy of strength for the long pull."

However, Harold E. Stassen, the President's special advisor on disarmament, announced that Eisenhower's special task force of military, nuclear and industrial leaders would gather May 29 to analyze the implications of the Soviet military reduction. Their discussion will be tied in with the failure of the recent London disarmament talks.

Stassen, at a news conference, evidenced much less skepticism than other officials have expressed concerning the Russian announcement of military manpower cuts. He said it could be "a desirable dividend" for President Eisenhower's peace policy. He disagreed, however, with reporters' suggestions that he might be out of step with the White House and State Department, both of which had voiced essentially negative reactions.

Moscow followed up its announcement of a slash of 1,200,000 men and 375 warships in the next year by calling on the two strongest Western allies to match its mood.

"Why doesn't Britain follow the Soviet example since so much is being said about the crippling effect of the Russian cuts?"

The day's demonstrations centered in Washington, where everything from military medical equipment to ballistic missiles was ready for display at Bolling Air Force Base.

The day's Armed Forces Day celebration for the first time was literally global in extent. An Air Force plane planned to fly over the North Pole and attempt to radio greetings to Navy men at the South Pole.

## 5 Persons Killed In 2-Car Crash

3 Students Dead, 4th Is Expected To Die

ANN ARBOR, Mich. (AP)—Three University of Michigan students and a Detroit couple were killed in the head-on smashup of two automobiles on U.S. 12 eight miles east of Ann Arbor Friday night.

A fourth student was injured and physicians at University Hospital expressed doubt he would live.

The students, all in formal dress and a gay mood, were en route to dinner at an outlying restaurant prior to a college dance. And they were riding in a new car, given one of them by his father only the day before.

The Detroit couple was en route to the colorful tulip festival at Holland, Mich.

Killed instantly were: D. Howard Salter, 63, and his wife, Lena, 58, of Detroit; Keith Ryan, 21, of Toledo; William B. McKean Jr., 23, of Parris Island, S. C., and Nancy Robson, 19, of Pompano, Fla.

Thomas Bernaky, 24, of East Cleveland, Ohio, was the student critically injured. He is a U-M senior.

Deputy Sheriff Roy Tice said Ryan was driving the students' car, which his father had given him only Thursday. The father, Joseph Ryan, is research director for Libby-Owens-Ford Glass Co. of Toledo.

McKean was a son of Col. William B. McKean Sr., a Marine who formerly commanded the Naval Reserve Officers Training Corp at University of Michigan and who now is stationed at Parris Island, S. C. Young McKean and Ryan both were sophomores and members of the same fraternity, Phi Sigma Kappa.

Miss Robson was a freshman. She was the daughter of Mrs. Gordon Jonas of Pompano, Fla., but made her Michigan home with an aunt, Mrs. Howard Snyder of Birmingham.

## Wellsville Boy, 6, Drowns In Private Lake

A six-year-old RD 1, Wellsville boy was drowned in Chavell Lake, a private lake off Rt. 45, between West Point and Wellsville, Friday evening while his father was in a nearby boat fishing.

Charles Irwin Plate, son of Charles and Velma Plate, was pronounced dead at 9:35 p. m. by a Wellsville doctor after futile efforts by Wellsville firemen to revive the boy.

The body of the boy was recovered shortly after he was missed by his father. The boy had been fishing on the dock and on shore while his father was in the boat. Wellsville firemen called to the scene used an inhalator on the child and a physician gave him injections in an effort to revive him.

Besides his parents, the victim leaves three sisters, Louise, Arlene and Patty.

The body is at the McLean Funeral Home in Wellsville.

## B57 Crashes On H-Bomb Mission

Air Force Observer Hunted In Pacific

USS MT. MCKINLEY, Off Bikini (AP)—Ships and planes from Task Force 7 searched today for an Air Force observer missing from a B57 bomber that crashed on a futile H-bomb mission.

The test had been postponed because of bad weather just three minutes after the plane took off.

The missing man was Capt. Paul M. Crumley whose wife lives at Albuquerque, N.M.

The long-delayed H-bomb blast is now scheduled tentatively for Sunday, U.S. time.

Capt. James Edward Hill, the pilot and the only other man aboard the small bomber, said it went out of control of 24,000 feet.

Hill said he had ordered Crumley to leave the plane and then had left himself, working an ejection mechanism. Hill parachuted to the ocean, got into a one-man life raft and was picked up by a destroyer.

He said he noticed icing at 20,000 feet and had received permission to go to 24,000.

Mrs. Crumley said she had been notified the plane was struck by lightning. No such information was made public by the task force. Task Force 7 held up news of the accident for 30 hours.

The plane crashed some 50 miles off Eniwetok Island.

Hill's plane was to have penetrated the bomb cloud after the test blast.

The H-bomb blast has been delayed until now because the task force was afraid unfavorable weather would carry the fall-out outside the posted area.

## S. Lincoln Ave. Closed For Sewer Installation

## Some Changes Made In House Version Of Bill

Soil Bank Is Main Feature; High, Rigid Supports Missing

WASHINGTON (AP)—Senate leaders expressed hope today a new farm bill will become law next week without further controversy.

Sen. Aiken (R-Vt.) said he would recommend that President Eisenhower sign the measure which the Senate passed by a voice vote Friday night, if the House accepts a series of changes the Senate made.

Whether the House would agree was not immediately apparent, but Aiken and Sen. Anderson (D-NM) forecast such action, and Sen. Ellender (D-La.) spoke of getting the measure to the White House Tuesday or Wednesday.

"I think we now have as good a bill as it is possible to get at this session," said Aiken, who frequently speaks for the administration on farm matters. "I will recommend that the President sign it unless there is some feature I do not understand or know about."

**Authorizes Soil Bank**

The bill replaces a more comprehensive measure Eisenhower vetoed April 16. As its principal feature it authorizes the \$1,200,000,000 soil bank program he requested as a means of paying farmers to take surplus crop land out of production.

Neither the Senate nor the House approved, however, Eisenhower's request for authority to pay farmers this year a portion of the money to which they would be entitled for compliance next year.

The measure still includes some provisions to which Eisenhower has objected, but Senate compromises on feed grain supports and parity levels Friday tended to bring those features closer to Eisenhower's views.

**No Rigid Supports**

Missing from the bill are requirements for rigid, higher support prices, a two-way system of figuring parity prices and many other provisions which brought on Eisenhower's veto of the earlier measure. Parity is a price determined by law to be fair to farmers in relation to their costs.

In its effort to avoid another battle with the House, the Senate at one point backed up and rejected an amendment it had just adopted to put a dollar ceiling on price support and soil bank payments to any one farmer.

The reversal involved tangled parliamentary maneuvering, but

## Berry Growers Set Pickers' Pay Rate

Strawberry growers of Mahoning and Columbiana counties, meet Friday evening in Columbiana High School, agreed to pay pickers six cents per quart at the start of the season, with a possible advance later.

Growers listed with state employment representatives the number of pickers they would require. Considerable damage to early berries by Wednesday night's frost was reported, and growers forecast a crop about three-quarters of the average. An advertising campaign to promote local sale of home grown berries was decided upon.

The group decided to make a tour of farms in the two counties June 9 or June 16, depending on the crop.

A Maryland-Delaware tour of berry farms was set for next Saturday through Decoration Day. Experiment stations and growers' farms will be visited. A field day will be held May 27 at the Maryland experiment station at Salisbury.

Floyd Lower, Columbiana County extension agent, was in charge of the meeting attended by about 40 persons.

## Bringing Out The Best Within Us

A friend of mine was once lunching with the late Henry Ford. The great automobile manufacturer asked him, "Who's your best friend?"

My friend started to name some people who might fall into this category. But Ford just shook his head and reached into his pocket for pen.

"No," Ford said, "I'll tell you who your best friend is." And then he took the pen and wrote these words on the tablecloth.

"Your best friend is the person who brings out the best that is within you."

I heard the other day of a charming, even significant, compliment a man gave his wife on their wedding anniversary.

I wish I had thought of it and said it to my own wife. This man told his wife, "I not only love you for what you are, I love you for what I want to be when I am with you."

PEOPLE CAN HAVE a great creative effect on each other. We interact with other people and this causes things to happen to us. The great figures of history - Jesus, Moses, Gandhi - possessed to

a higher degree this quality of being able to lift people out of themselves and make something better of them. They did not give people something they did not have before, but their example and their ability to inspire and to appeal to human nature brought out of people the best they had within them.

The times, too, can often bring out the best in us. The more they demand of us, the more we seem able to give. During the darkest days of the American Revolution, Thomas Paine wrote: "These are the times that try men's souls. The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of their country; but he that stands it now, deserves the love and thanks of man and woman. Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict, the more glorious the triumph. ... And those times brought out the best in the American colonists and gave us the freedoms we prize in the United States today."

EACH OF US is a mixture of good and bad. These forces are often engaged in conflict within us, and indeed we are involved in this struggle throughout our lives. When we employ right thinking, faith and character to bring out the tremendous potential of good that is within us, we are then filled with pure joy because we have mastered ourselves, and scarcely any happiness equals that.

But, when we settle for our worst, or less than our best, we begin to feel vaguely unworthy and unhappy. Inevitably, we must explain to ourselves why we are not living at our best. We try to justify this fact to ourselves unconsciously by a process called rationalization. By this we mean the impossible effort to make the irrational into a rational concept and to make black appear to be white.

In other words, we lie to ourselves. And such lying to oneself causes inner conflict, leaving one pathetically mixed up. Nevertheless, we all try this unhappy process at one time or another.

From Mary Baker Eddy's Science and Health with key to the Scriptures will be read: "Spiritual perception brings out the possibilities of being, destroys reliance on aught but God, and so makes man the image of his Maker in deed and in truth."

Sunday School will start at 9:30 a.m.

The reading room will be open Tuesday, Thursday and Friday afternoons from 1:30 to 4.

God can take a person who is mixed up, in conflict, overcome by his weaknesses, and make him into a well integrated, strong, and effective person. Through a process of personality change, the best in an individual becomes uppermost. Perhaps this is the ultimate meaning of life on earth, to bring out the best within us.

## Pike Cuts Truck Toll, Raises It On Autos

HARRISBURG, Pa. (AP) — New toll schedules for the 40-mile Pennsylvania Turnpike, featuring a 41 per cent boost for passenger cars and a 21 per cent cut for trucks, were announced Thursday by the turnpike commission.

The new rates go into effect May 25, the date when the Pennsylvania and New Jersey superhighways will be officially linked by the Delaware River turnpike bridge.

The commission declined to estimate how much additional revenue the new fares will produce.

The complex fare schedules will increase tolls in the mountainous areas between Irwin and Carlisle but will make it more attractive, especially for truckers, to remain on the turnpike through more level areas.

Present passenger car toll from the gateway on the Ohio line to the Delaware River bridge is \$3.90. That will be increased to \$5.50.

Truck tolls vary according to the size of the vehicle but for a truck weighing between 53,000 and 62,000 pounds the fare for the 360-mile trip will drop from \$23.80 to \$18.95.

A separate fare schedule will be placed into effect for trips starting from each of 38 interchanges.

## Four Gunmen Nabbed For Many Holdups

NEW ORLEANS (AP) — Police shotgun squadsmen Friday captured four young men they said burglarized gas stations from Ohio to Louisiana.

Patrolmen Anthony Polito and Edward O'Donnell identified the four as Lee Smith, 17, Huntington, W. Va.; Norman Brewer, 21, Huntington, Charles Young, 21, and Charles Morris, 18, both from Columbus, Ohio.

The officers said they found burglar tools in the stolen car in which the four were riding.

They said Smith admitted stealing the car in Newport News, Va., from a man who was giving him a ride. They said Smith identified the man as James V. Kline and that he drove off when Kline got out of the car.

The officers said Smith is absent without leave from Fort Eustis, Va., and Brewer is absent without leave from the U.S. Navy Base in Philadelphia.

Smith and Brewer met Young and Morris in Ironton, Ohio. The four had met in the Ohio Industrial School for Boys, the officer said.

The four admitted they had burglarized service stations all along the way south, the officer said.

Hacksaws, chisels, gloves and crowbars were found in the car. Polito and O'Donnell said the four told them they were going to look for work here, but if they could find none "we're going to take New Orleans for a ride."

This morning at the market a reporter questioned me:

Q. You're a home maker and mother?  
A. Yes.

Q. Do you and your family attend Church?  
A. Every week, unless prevented by illness.

Q. Surely you don't take the children when they're small?  
A. Oh yes. It's been proved that habits formed during the first five years establish a pattern for life.

Q. When it's raining or snowing doesn't it often seem best to stay home?  
A. No. Bad weather doesn't usually keep us from doing other things we want to do. Besides, children go to school on rainy days so why not to Church and Bible School?

Q. Then you feel regular worship is good for a family?  
A. Not only good but necessary. Religious training is the fourth R, and the most vital part of our learning to live.

## THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Shipment Of Vehicles To Israel Halted

WASHINGTON (AP)—U.S. customs officers have blocked shipment of 21 military vehicles to Israel on grounds they were not covered by an export license issued for spare parts.

State Department press officer Lincoln White disclosed Friday the half trucks were taken off an Israeli freighter in New York Harbor a week ago Thursday. He said the ship sailed the next day.

According to White, customs officials found there was no valid export license covering the vehicles. He said Israel purchasing authorities had an export license for half track spare parts, not for whole vehicles. White said he saw nothing dishonest in the situation, but he declined to express any opinion when asked whether it was "illegal" or involved "attempted smuggling."

The Israeli Embassy issued a statement late Friday night saying that "On May 11 shippers commissioned by the Israel government loaded certain surplus vehicles destined to be used in Israel as spare parts."

The embassy said the shipment was made against a license from the State Department's munitions control division "for spare parts in the amount of \$150,000."

The Israeli statement said that when the embassy learned the customs officials held the license "could not technically apply" to the half tracks "instructions were immediately issued to the shippers to comply with the ruling and to unload the stores in question."

Dulles had said the cutback would not markedly reduce Soviet military power and added, "The obvious explanation is the need for greater manpower in industry and agriculture."

## Pijuan Pleads Guilty, Daniel's Abortion Trial Continues

NEW YORK (AP)—The attorney for a man charged with manslaughter in the abortion death of Jacqueline Smith, 20-year-old fabrics designer from Lebanon, Pa. A male nurse, Leo Pijuan, 46, was also charged with manslaughter in her death.

"Changed circumstances" came with dramatic suddenness in the General Sessions trial Friday when Pijuan abruptly switched his plea from innocent to guilty.

Pijuan, son of a Puerto Rican surgeon, said he could no longer endure reliving the girl's death nor face her grieving father in the courtroom. Pijuan faces up to 20 years in prison.

Daniel's attorney, David P. Siegel, asked for an immediate adjournment. But Judge Mitchell D. Schweitzer turned him down and the trial of Daniel continued.

Daniel showed no trace of emotion when Pijuan made the surprise admission of guilt.

Miss Smith allegedly died Christmas Eve in Daniel's apartment while Pijuan operated on her. The prosecutor says the body was cut into pieces, wrapped in Christmas gift paper and thrown into trash baskets. No trace of the body has ever been found.

Pijuan said Daniel promised him \$100 to \$125 for the abortion and helped him dismember and dispose of the body.

Saw No Chance  
Pijuan's lawyer, Oscar G. Suarez, told reporters after the guilty plea:

"The nature of this case is such that I could not induce myself to believe we had a chance with a jury. . . the defendant is a victim of circumstances not of his own making and feels so repentant that he could no longer stand more hours of reliving this in his memory."

"He also could not stand the presence in the courtroom of an aggrieved father."

Jacqueline's father, Chester D. Smith of Lebanon, has attended the trial daily from the time it opened May 7. He was absent Thursday and Friday, however.

Pijuan's sister, Gloria, wept at his admission of guilt. She came here from Puerto Rico for the trial.

Daniel's widowed mother, Mrs. Katherine Daniel of Warren, Ohio, continued sitting outside the courtroom, black-clad and grief-stricken. She has been barred from the courtroom since the first day of the trial, when she became hysterical.

## Shipments Of Vehicles To Israel Halted

WASHINGTON (AP) — U.S. customs officers have blocked shipment of 21 military vehicles to Israel on grounds they were not covered by an export license issued for spare parts.

State Department press officer Lincoln White disclosed Friday the half trucks were taken off an Israeli freighter in New York Harbor a week ago Thursday. He said the ship sailed the next day.

According to White, customs officials found there was no valid export license covering the vehicles. He said Israel purchasing authorities had an export license for half truck spare parts, not for whole vehicles. White said he saw nothing dishonest in the situation, but he declined to express any opinion when asked whether it was "illegal" or involved "attempted smuggling."

The Israeli Embassy issued a statement late Friday night saying that "On May 11 shippers commissioned by the Israel government loaded certain surplus vehicles destined to be used in Israel as spare parts."

The embassy said the shipment was made against a license from the State Department's munitions control division "for spare parts in the amount of \$150,000."

The Israeli statement said that when the embassy learned the customs officials held the license "could not technically apply" to the half trucks "instructions were immediately issued to the shippers to comply with the ruling and to unload the stores in question."

## Jury Debates Fate Of Youngstown Policeman

YOUNGSTOWN (AP)—A Mahoning County Common Pleas jury, behind locked doors, was deep in debate over the fate of a Youngstown patrolman, accused in a morals case. Tension was rather high.

The law says juries may not be interrupted in their deliberations, but Deputy Charles Brown excitedly broke in on the jury deliberations, conferred with a woman juror, from whom he obtained a note.

The happy deputy passed it on to a greatly relieved father, at home, who was able to resume feeding his infant daughter.

The father ran out of baby food and had to halt jury deliberations until he could get the written formula from the child's mother.

**WITH MUCH SPACE** devoted to the problem of "hot-rodding" young drivers, readers often forget that many teen-agers are better behind the wheel than their dads. In all parts of the nation, many such car experts are going through state Road-e-os, and heading for the national finals in Washington, Aug. 6-9. The Junior Chamber of Commerce in each state stages these Road-e-os as a principal youth and safety project. These "contests in carmanship" are sponsored by various groups which provide money and scholarship prizes. A recent Road-e-o was staged at Painesville, O. Some of the problems involve driving between rows of staggered barrels, two rows of rubber balls and parking in a tight place. Here's another little fact that may surprise adult male drivers—some of the best drivers were GIRLS!

# Akron North Easily Wins NEO Class A Track Meet Here

## Central Takes Second Place

Alexander Scores 6 Points For Salem

By BOB MC ARTOR

Akron North, winning six of fourteen events and scoring 50 1/2 points, coasted in to win the Northeast Ohio Class A district track meet last night at Reilly Field before a large crowd of track fans.

The second place team, Akron Central, was 26 1/2 points behind the winners with 24. Cuyahoga Falls followed in third place, just one-fourth of a point behind Central.

Chuck Bickett of Akron North was chosen by the officials as the Most Valuable Athlete in the meet. He scored three firsts for his team and ran third on the half mile relay team, which finished fourth. Bickett and his speedy team mate Bob Harlin accounted for five of the six first place wins for North and scored 31 of the teams 50 1/2 points.

Twenty three teams scored in the affair, but the meet was almost dominated by Akron schools, three of which finished in the first five. Nine of the events were won by Akron entries and Akron Central captured both relays.

**THE POLE VAULT** and the high jump finished with eight boys tying for second place in each event. The pole vault was won by John Hlaudy of Warren Harding with a leap of 11 feet 9 inches. Boardman, Wooster, East Palestine, Cuyahoga Falls, Leavittsburg, Pol and Sandy Valley, and Akron North each received 1 1/4 points as a result of the tie for second.

Salem's Jack Alexander scored the Quakers' lone 6 points as he repeated with a win in the high jump for the second year in a row, soaring 6 feet 1 1/4 inches. In the deadlock for second Akron Buchtel, with two qualified, gathered 2 1/2 points and Akron South, Canton McKinley, Canton Timken, East Palestine, Kent Roosevelt, and Wooster each got 1 1/4.

The Jekkal brothers of Cuyahoga Falls finished one-two in the shot put, Vick Jekkal edged his brother to win with a heave of 53 feet 3 1/4 inches. Miller of Akron North came in third and Gonnella of Niles McKinley was fourth.

In a rare situation two boys tied for fifth place, but even more rare the both came from the same school. Jim Rambo and Dom Chick both of East Palestine tossed the iron ball the same distance to give their school 1 point.

Chuck Bickett captured his first win of the day in the broad jump, leaping 21 feet 8 1/4 inches. Quincy of Akron East was second, Don Bush of East Palestine third, McBurney of Central fourth and Lawrence of Warren fifth.

Don Bush, East Palestine's high scorer, won the discus for the Bulldogs with a heave of 146 feet 9 inches. Miller, North's mainstay in the weights, got second, and Wims of Akron South third. Bush had a 150 plus throw in the County Meet a week ago, but just got off a good enough throw to win yesterday. Rambo, who won the County event with a 155 effort had a bad day, and didn't qualify.

**THE FIRST EVENT** of the finals was the 120 yard high hurdles, which were won by Bickett in the time of 14.8 just 3 of a second off the record. Jackson of Akron East, who has been Bickett's chief rival in the hurdle events took a second. Lee came in third for Akron South, Ellison of Canton Lincoln was fourth, and Cornell of Coventry was fifth.

Bickett and Jackson were running even until Jackson faltered on one of the hurdles at the end of the race to put Bickett in the on one of the hurdles at the end of the race to put Bickett in the lead.

The 100 yard dash was won by Bob Harlin of Akron North in 10 seconds flat, one of the fastest dashes seen here for several years. Chuck Price, Boardman's sprint man, had the best qualifying time in the prelims of 10.1, but finished fifth in the finals.

Fred Alberini of Leavittsburg collected a gold medal in the mile run as he topped the field with the time of 4:40.4. Massey of Akron Central came in second, Conrad Gromada of Youngstown Ursuline was third, and Ross of Canton Lincoln and Gosling of Buchtel brought in fourth and fifth.

The half mile relay was completely monopolized by Akron teams as Akron Central won in the time of 1:33.5. Akron Buchtel and Akron Coventry tied for second, Akron North finished fourth, and Akron East fifth. The winning team was composed of Townsend, Collins, Williams, and Smart.

Wendell Turner, Akron Central quarter-miler, collected 6 points in the 440 yard dash posting the time 51.3. Stable of Hubbard was second, Reeves of Canton McKinley third and Buckman of North fourth.

North's iron man Chuck Bickett came up with his third win of the meet stepping off the 180 yard low hurdles in 20.2 seconds. He was trailed by Lee of Akron South, Price of Boardman, Jackson of

East and Jetton of Buchtel, in that order.

North, in the next event garnered another first as Gill won the half mile run in 2:03.3. Buchtel's Kemp was second and Fred Alberini, winner of the mile, was third, and Gill's team mate, Assalone, finished fourth.

The other half of North's pair light footed speedsters, Bob Harlin won the 220 yard dash as he reeled off the time of 22.8, just a half a second off the record. Price of Boardman was second and Quincy of East ran a pressing third.

Akron Central's mile relay team came through with a win in the final event to give them second place in the meet. Cuyahoga Falls, who finished third came in second in the mile relay and were nosed out of the runner-up spot by 1/4 of a point.

Many of the winning marks could have been better, had the weather been more helpful, but the rain made the track heavy and slowed the times considerably. However F. E. Cope and his crew should be given credit for the job they did in making the track as fast as possible. The worked many hours Thursday and Friday doing the best they could to get it in good shape.

Chuck Bickett of North received the most valuable athlete trophy for his accomplishments in the meet and head coach of North Bob White was presented the winners trophy. Akron Central was awarded the runner-up award.

Miss Sally Kirkbride custodian of awards and her assistants Mary Mercer, Joyce Coppock, Carol Brautingham, Janet Patterson and Bobbi Blount were in charge of distributing the medals and ribbons to the winners of the events.

The first five qualifiers in every event will travel to the state meet at Columbus May 25 and 26.

### Nats Trip Indians 5-4 In 11-Inning Contest

CLEVELAND (AP)—Jinxed again by the Washington Nationals in Friday night's 11-inning 5-4 night-mare, the Cleveland Indians send Herb Score today against his strikeout rival, the Nats' little Camillo Pascual.

The Nats, only team to hold an edge over the Indians last season, pulled one out of the fire Friday night. Pete Runnels scored the tying run in the ninth, and drove in the winner in the 11th with his fifth straight hit.

Starter Early Wynn fanned Runnels in the first inning, but Runnels doubled in the third and singled in the fifth and seventh off Wynn, tripled off Don Mossi in the ninth, and singled off loser Ray Narleski in the 11th.

Narleski was within one out of winning the game in the ninth. He replaced Mossi with one out and Runnels on third. Cleveland leading 4-3. After getting Carlos Paula on a pop fly, Narleski gave up a single to Roy Sievers that scored Runnels with the tying run.

The fire ball reliever set down the Nats in order in the 10th. But in the 11th, he walked Eddie Yost, who sent to second on an infield out. Then Runnels came through with a single.

The victory went to Bunky Stewart, who came on in the eighth and pitched four scoreless innings. It was his second major league victory in 44 appearances. He won his first game last Saturday.

Al Rosen, Indian third baseman who was plagued by injuries all last season, suffered knee and ankle injuries in the ninth when Runnels crashed into him. Rudy Regalado finished the game at third for Cleveland.

Jimmy English of Topeka, Kan., the only amateur within shooting distance of first place, shared 139 with Norman Goodman of Kansas City and Wally Ulrich of Rochester, Minn., the 1954 winner.

Winger birdied three of the holes on which he picked up strokes in the first round, all on the front nine, but had a bogey on the ninth hole, making the turn with a 34. On the back nine, where he tied the course record with a 30 on opening day, he had to be content with a 35 Friday.

Pitching: Curt Simmons, Phillies — Cooled the heavy-hitting Cardinals 4-2, not allowing a hit for four innings and finishing a three-hitter for his first complete game since last July 20.  
Hitting: Pete Runnels, Senators — His fifth hit of game, a single, drove in the winning run to beat Indians 5-4 in 11 innings; also tripled, doubled and hit two other singles in his six trips.

**NEEDLES SET TO TRY FOR TRIPLE CROWN**  
BALTIMORE (AP)—The die will be cast near sundown today on whether a strong willed colt named Needles will be the first in three years to come away with a Preakness triumph and have a shot at racing's Triple Crown which hasn't been won since 1948.

Calumet Farm's Citation was the last to annex the first two legs and he went on eight years ago to sweep the Belmont.  
Needles is the life of the 80th Preakness, overshadowing the eight other entries with his sensational running in the afternoons after showing distinct dislike for morning work.

B JACK STEVENSON

LOS ANGELES (AP)—Take the word of boxer Carl (Bobo) Olson, the lightning left of middleweight Champion Sugar Ray Robinson strikes twice.

Olson, the former champion from San Francisco, lasted just six minutes longer against the dancing dandy from New York's Harlem Friday night than he did in Chicago last Dec. 9.

A left hook put him to sleep for the full count and more at 2:51 of the fourth round in their title bout scheduled for 15 at Wrigley Field. The last previous time they met the end came at exactly the same time in round two.

Robinson, 35, apologized jokingly for not having had time in the bout to prove his legs still were in shape to go a full distance.

Pay days for both the winner and the loser were forestalled by legal action. Olson's estranged wife obtained a court order to tie up his share, and Uncle Sam slapped an income tax lien against the champion's share.

A crowd of approximately 20,000 paid an estimated gross gate of \$200,000 or more for a California record. The previous high was \$196,720 for the heavyweight title bout last year between Rock Marciano and Don Cockell in San Francisco.

Each fighter was guaranteed 30 per cent or \$75,000 of the net receipts.

Following Friday night's televised twilight affair, comanager Joe Gasser declared Sugar Ray will now go after the light heavyweight title. It was the general understanding he might do so if the current title holder, Archie Moore, graduates fully to the heavyweight division.

There's also talk of a bout with the local boxoffice magnet, welterweight Art Aragon, and another prospect is that ex-welterweight champ Carmen Basilio would be next. Probably Robinson will cash in quickly on personal appearances.

Bobo Olson no longer was mentioned. He still doesn't remember what hit him.

Sugar Ray weighed 159 1/2 for the outdoor title fight in the home of the Los Angeles baseball club. Olson barely made the 160-pound limit—he had to take off his boxing trunks to do it.

The fight followed expectations during the first three stanzas with Robinson seeking an opening and neither boxer scoring a truly damaging blow. Then, with 9 seconds left in round four, came the end for Olson.

**WE'LL MEET YOU AT TIMEBRANES!** Yes, folks, this is becoming the most common slogan in Salem and surrounding communities today. We are very happy to report that your response to this recreation center has been tremendous.

The bowling lanes only will be closed from Monday, May 14th through Friday, May 25th for resurfacing of the alleys. At that time we will also air-condition the Bowling Area, Cocktail Lounge, Dining Room and Spruce Room. The bowling lanes will reopen Saturday, May 26th for summer bowling in air-conditioned comfort. The Dining Room and Lounge will, of course, remain open while this improvement is carried out.

Since our opening last September we have installed the AMF Automatic Pinspotters, making it possible for you to bowl any hour of the day or night. This coming summer will be an ideal time for those of you who have not bowled in the local leagues to enjoy America's fastest growing sport. Meet your friends at TIMEBRANES... plan special bowling parties... come in out of the heat and take advantage of the modern facilities offered.

We have installed a Lowery Electric Organ in the Cocktail Lounge with the music piped to the dining room and Spruce Room. Russ Gates it at the Console 8:00 p.m. until midnight each weekday night, and 9:00 p.m. to 1:00 a.m. on Saturdays. Russ will be glad to take care of your special musical requests. And did you know that during our 4:00 to 6:00 p.m. Cocktail Hour Monday through Friday, mixed drinks are offered at considerably reduced prices? Why not plan now to bring that "special one" in soon to enjoy the thrilling organ music and pleasant hospitality of Ginny, Bob and Dick?

Thelma and her gang have done an outstanding job in the dining room and Spruce Room. In the first six months of TIMEBRANES' existence they have served a total of 237 parties, and the volume of reservations made it necessary to install folding doors in the dining area to accommodate private parties. For that next party of yours, give us a ring at EDgewood 7-9347 and let our efficient staff take the headaches out of entertaining for you... whether it's a complete dinner, luncheon, buffet or simple dessert luncheon.

Our Spruce Room is available to you ladies for Card Parties or any group meetings... and to you business men for your luncheon or dinner meetings at no charge.

Plan now to meet your friends at TIMEBRANES... Salem's most popular spot.

## Yankees Blast Chisox 8-7

Mantle, Berra Each Pound Out Four Hits

By ED WILKS  
The Associated Press

You can love those New York Yankees or hate 'em, but you've got to look upon Mickey Mantle and Yogi Berra as the best one-two punch in baseball—the bread-and-butter guys for Ol' Casey Stengel.

The Mick and Yogi have the look of the old Yankee window-busters, the nearest thing yet, perhaps to the Babe Ruth-Lou Gehrig punch that chilled the American League in the '20s and early '30s.

Mantle, coming of age, leads the AL with 15 homers, 45 hits and a .409 batting average. The only big department he doesn't lead is runs-batted-in. Yogi has the edge in that one with 33 to Mantle's 32. Berra's also the runnerup in hits (40) and home runs (12) with a .357 batting average.

The power-partners put those statistics to work again Friday night as the Yankees, scooting in on a 2½-game lead, outlasted the Chicago White Sox 8-7 in 10 innings. Second place Cleveland, meanwhile, dropped an 11-inning hassle with Washington 5-4. The Boston Red Sox, handing Kansas City a fifth straight defeat 5-4 to takeover third place from Chicago by a half game.

In an afternoon game, Detroit defeated Baltimore 3-2.

In the National, free-swinging Cincinnati put an end to Brooklyn's six-game winning streak 7-6 in 10 innings. Philadelphia, behind Curt Simmons' three-hitter, side-tracked the St. Louis Cardinals 4-2. And the Chicago Cubs topped Pittsburgh 3-2. Threatening weather postponed Milwaukee at New York.

Ray Jablonski's second home run of the game broke up the slugging party at Brooklyn, tagging the shot off reliever Ed Roebuck. Brooks Lawrence won his fifth without defeat, although needing help from Buster Freeman in the 10th after two runs in the ninth tied it for the Brooks. Carl Erskine, for a chance for a second straight no-hitter, lasted only 2-13 innings against the Reds, who also got a homer from Wally Post.

Simmons, the sore-armed Southpaw, didn't give the Cards a hit until the fifth when Bobby Del Greco's double scored a run. Stan Lopata wrapped it up for Simmons, pitching his first complete game since last July 20, with a three-run homer off Willard Schmidt in the seventh.

Reliever Turk Lown won his first for the Cubs, and scored the big run as Eddie Miksis and Gene Baker followed his walk with singles off loser Elroy Face in the 8th. Miksis also homered for the Bruins.

Mantle and Berra each had four hits against the White Sox, and each drove in three runs. Mantle belted a pair of homers—one left-handed, the other right-handed—and for what it's worth, stayed 13 games ahead of Ruth's pace in his 60-homer season.

Mantle's second drive of the night came off reliever Dixie Howell with two-out in the ninth and tied the score at 7-7. Andy Carey's single broke it up in the 10th, following a Gil McDougald single and a sacrifice.

It was Mantle and Berra who kept the Yankees perking. Mantle contributed to a first-inning run with a single. Berra homered in the third after Mantle had walked.

In the fifth, Mantle homered off starter Billy Pierce. In the seventh Mantle doubled and Berra singled him home.

Wildness and fielding errors let the Sox make up the ground lost to Mantle and Berra, however.

There were nine pitchers in the game. The Yanks used five with Tom Sturdivant the winner.

## Club Trading Shocks Fans In St. Louis

ST. LOUIS (AP)—Frank Lane, whose major reshuffling of the St. Louis Cardinals has the club's fans somewhat shell-shocked and many fighting mad, sums up his motive this way:

"I'd rather have a nasty bunch of so-and-soes in first place than a good sentimental seventh-place club."

Newspaper switchboards here were swamped Thursday with callers—most of them unhappy at the news Bill Virdon, the National League's rookie of the year in 1955, had been traded.

But the latest of the Cardinal general manager's rapid-fire deals—sending Virdon to Pittsburgh for outfielder Bobby Del Greco and pitcher Dick Littlefield—apparently didn't equal the big trade of a week ago in producing howls of anguish from the fans.

In that one, Lane sent pitchers Harvey Haddix, Stu Miller, and Ben Flowers to Philadelphia for pitchers Murry Dickson and Herman Wehmeier.

Before Lane arrived on the scene last year to take over direction of the seventh-place Cardinals there was much talk of a Cardinal youth movement and a gradual rebuilding job.

Now Lane obviously is shooting for the pennant this year, with the club off to a fast start under its new manager, Fred Hutchinson. "I feel the team is a better all-around club now than when we started the season," Lane said Thursday. He isn't flatly predicting a pennant this year but says he now has a "contending ball club" and he forecasts "a great race."

Lane says he has taken note of newspaper criticism of his recent deals but he personally hasn't had any calls from irate fans.

A rundown on Lane's manipulations this past week:

Friday — Haddix, Miller and Flowers for Dickson and Wehmeier. Utility infielder Grady Hatton purchased from the Boston Red Sox.

Monday — Infielder Solly Hemus to Philadelphia for infielder Bobby Morgan.

Wednesday — Shortstop Alex Grammas and outfielder Joe Frazier to Cincinnati for utility man Chuck Harmon.

Thursday — Virdon to Pittsburgh for Del Greco and Littlefield.

That left the Cardinals with only eight of the players who started the disastrous 1955 season under Manager Eddie Stanky.

The tract of 20 acres is located on County Road 416, just north of Leetonia and opposite the village reservoir.

- (1) There will be little earth to move during the initial construction of the building.
- (2) It is easily accessible, with maximum safety for pupils attending.
- (3) There is enough land available for expansion if need should arise.
- (4) It is free from and adjacent to sewage and water.
- (5) It has excellent natural drainage and will not require additional tiling.

Guest night will be observed by the Deborah Class of St. Paul's Lutheran Church which will hold its May meeting at the Church next Wednesday evening instead of the last Wednesday of the month. ## Testifies On Oil Deal For Truman Aides

ST. LOUIS (AP)—An Oklahoma attorney testified today that a tax dodger's lawyer asked him to buy oil royalties, for \$3,358 and \$3,600, for two former Truman administration officials.

Chris L. Rhodes of Tulsa gave the testimony before a federal court jury in the 10th day of the conspiracy trial of Matthew J. Connelly, appointments secretary to Truman; T. Lamar Caudle, who once headed the tax division of the Justice Department and Harry I. Schwimmer, the attorney.

Rhodes identified correspondence in which Schwimmer asked him in 1949 and 1950 to buy oil royalties for Connelly and Caudle.

Rhodes testified Schwimmer wrote to him in the fall of 1949, asking him to try to buy a royalty that would pay an income of \$50 a month. The attorney said he found one which would produce a total income of \$54 monthly.

In one of his letters to Schwimmer, Rhodes said he understood he was to have the royalty placed in Connelly's name. The witness said after Schwimmer sent a check for \$3,600 to cover payment he wrote about six months later asking Rhodes to attempt to buy a similar royalty.

Another letter introduced into evidence showed Schwimmer wrote Rhodes advising the Oklahoma attorney to buy a royalty in Caudle's name.

A. S. Dent of the Sinclair Crude Oil Co. of Tulsa, testified a royalty was held for more than two years in the name of Connelly. Dent said the transfer of it was arranged by Schwimmer.

Dent testified another royalty was transferred to the name of Caudle but Dent's testimony did not show Caudle ever accepted it. This transfer, too, was arranged by Schwimmer, attorney for tax evader Irving Sachs, Dent told the jury.

Connelly, Caudle and Schwimmer are on trial on a charge of conspiring to defraud the government by trying to stall and sidetrack criminal prosecution of Sachs, St. Louis shoe firm president who was fined \$40,000 but escaped a prison term because of poor health.

## Jeanne Crain Won't Halt Divorce Plans

LOS ANGELES (AP)—Actress Jeanne Crain says, after a reconciliation hearing, there is "no change" in her decision to divorce manufacturer Paul Brinkman.

The hearing, held Friday in the chambers of Superior Court Judge Lewis Drucker, was requested by Brinkman.

"I listened, and that's all I can say," the red-haired beauty told newsmen later. "I went in with as clean a mind as I could, but there's no change in my position."

Miss Crain, who accuses Brinkman of beating her, said before the conference she thought it over two years before deciding to divorce Brinkman.

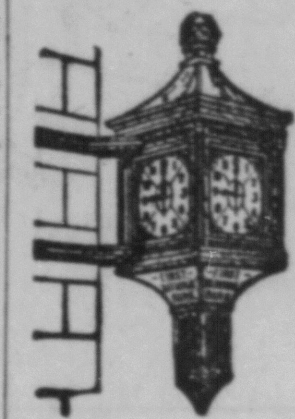

Brinkman shrugged upon emerging from the judge's chambers and commented:

"It'll probably be forced to file a cross-complaint of divorce now."
